RE: Renewable Resource Grant and Loan Program

Dave Kasten
Chairman
Long Range Planning Committee

Dear Representative Kasten,

Sweet Grass Conservation District would appreciate your favorable consideration for the funding of the West Boulder point of diversion rehabilitation project on the West Boulder River. This project is on the District's high priority projects list and is a first priority project for the Boulder River Watershed Association.

We thank you and your committee for your time and consideration.

Sincerely,

Paul Gilbert
Chairman
